MOVING FORWARD: INNOVATION FORMING OUR FUTURE

TERMS & CONDITIONS

National Science Week Shows are a premium Street Science product requiring extra equipment, consumable supplies, and training for our staff. As such, a separate minimum charge is applicable to these show bookings.

School bookings for our ***MOVING FORWARD: Innovation forming our future*** Show will be charged for a minimum of 250 students.

That is:

- If more than 250 students attend, you will be invoiced for the number of students in attendance.
- If fewer than 250 students attend, you will be invoiced for 250 students.

Street Science will require a \$500.00 deposit to be paid to secure National Science Week Show bookings for 2023. This deposit is non-refundable and will be deducted from the final invoice, which is issued after the incursion takes place.

To secure your 2023 National Science Week Show booking you will need to complete and return the Booking Authority Form. Failure to return a signed copy of this form may result in your booking being cancelled and forfeiture of your offered date.

Unless otherwise stated, quoted prices exclude GST and may be subject to an additional Travel Fee, depending on your location. This will be quoted on a per-booking basis once your enquiry has been received.

CANCELLATION POLICY

Street Science provides Queensland's premier science engagement activities and are often booked out well into the future. Once a job is booked in and confirmed, we will mark the date as unavailable to other clients. As such, if you cancel your booking at the last minute, not only do we lose a day's work but other schools and organisations also miss out on the experience.

As Street Science is a family run business who endeavour to provide the best customer service and products possible, we have the following cancellation policy which all clients agree to when engaging us for an event:

- Any cancellation notification received **less than one calendar month** before the booking date will be charged at **50%** of the incursion fee.
- Any cancellation within **1 calendar week** of an incursion will be charged **80%** of the incursion fee (e.g. cancelled on or after Tuesday for a booking on Tuesday the following week).
- Any cancellation or a no show **on the day** will be charged **100%** of the incursion fee.
